PROFILE

I am an AI-powered Video Creator and Editor with 1+ year of professional experience in video editing, including a 3-month internship and 9-month full-time role. I specialize in creating engaging short-form content, reels, and promotional videos by combining AI tools with video editing.

I can generate AI visuals, maintain character consistency, and transform ideas into high-quality, scroll-stopping videos using tools like After Effects, Premiere Pro, and modern AI platforms. My goal is to help brands and creators grow through creative storytelling and fast, AI-driven content production
